

YOU ARE CORDIALLY INVITED
TO JOIN US AT OUR SEMINAR

**„Production, Nutrition and
Management“
Mitigating AMR in
poultry production**

27. SEPTEMBER 2019 • HO CHI MINH CITY

WELCOME TO PARTNERS IN PROGRESS

Antimicrobial resistance is one of the biggest challenges in poultry production. Sharing knowledge and expertise on a constant basis is a crucial factor for your success. Join an exciting seminar with international and local speakers with topics in poultry production, nutrition, and management.

You are invited to join us at the Partners in Progress seminar in HCMC with an attractive social program after the event.
